

Storm Shelter

The main purpose of these units is to protect their occupants from violent and deadly tornadoes.

Panic Room

These units can also serve as protection (hiding place) for the family during home invasion robberies or other threat. All the units are bullet resistant and can defend against class three shotguns and handguns (.38, 9 mm, .380, etc.).

Safe Vault

In addition to offering personal protection, these units can be used as safe vaults or confident space for securing weapons, jewelry, or other important type of valuable household and business belongings.

Multiple digital locks and deadbolts available.
